Annual Governance Statement 2019-2020

Explanation of response to Assertion 5:

Potterne Parish Council agreed to answer 'No' to Assertion 5 of the Annual Governance Statement. The reason for this is that although the Risk Management Policy had been reviewed and updated by the Clerk, this had not been put before the Parish Council for approval before the end of the 2019/2020 financial year.

It was due to be approved at the April 2020 Parish Council meeting however, this meeting was cancelled due to Covid 19 restrictions. It has now been approved at a virtual meeting of the Parish Council held on 6 May 2020.
